

# Prescription Drug Listing

We want you to understand what you can get with your Horizon NJ Health benefits.

Most prescription and non-prescription (over-the-counter) drugs are covered at no cost, or low cost to you, as long as your doctor orders them and they are listed on our Formulary. A committee of doctors and pharmacists reviews the list of drugs on our formulary to make sure that the drugs are safe and effective. If your doctor decides that you must have a drug that is not included in the Prescription Drug List (Formulary) or your drug needs pre-approval,

including a brand name medication exception, he or she can call and ask for special permission for you to get the drug. Your doctor can call the Horizon NJ Health Pharmacy Department at **1-800-682-9094**.

For a pharmacy near you, visit our Provider Directory at [horizonNJhealth.com](http://horizonNJhealth.com) or call Member Services toll free at **1-800-682-9090**. People with hearing or speech difficulties can call the TTY service at **711**.

Symbol	Meaning
<b>CAPS</b>	Brand name drugs
<b>@</b>	Needs pre-approval or other limitations apply
<b>YO</b>	Means "years old"
<b>*</b>	Limitations apply (quantity, age)
<b>◇</b>	Subject to Step Therapy of first-line agents
<b>LTC</b>	Long-Term Care
<b>OTC</b>	Over-the-Counter

Some members may have their HIV/AIDS medications covered through the AIDS Drug Distribution Program (ADDP).

Vitamin A derivatives are considered noncovered pharmacy benefits for members 35 years of age and older.

Please note, oral oncology drugs have 14 day starter fills when applicable.

- **A Formulary is a list of approved medications covered by Horizon NJ Health.**
- **You can have prescriptions filled at any participating pharmacy.**

Please note that Horizon NJ Health maximum days supply limit is 30 days.

Products are provided by Horizon NJ Health. Communications are issued by Horizon Blue Cross Blue Shield of New Jersey in its capacity as administrator of programs and provider relations for all its companies.
