

Provider Directory

Horizon NJ Health has a large network of doctors and other health care professionals that provide quality health care services to our members. This list is called the **Provider Directory**. All types of **providers** are listed, including doctors, hospitals, laboratory services, pharmacies, general dentists, dental specialists and more. There are three different ways to view the Provider Directory:

1. **Online at horizonNJhealth.com** – updated daily, our Doctor & Hospital Finder lets you search for a provider by location, specialty, name and other fields. All types of providers are listed, including doctors, hospitals, laboratory services, pharmacies, general dentists, dental specialists and more. Members can also find a detailed list of dentists who treat children 6 years of age or younger in Horizon NJ Health’s “NJ Smiles Directory.” This separate list of dentists is located on **horizonNJhealth.com** under the *Member Support* tab, select *Resources* from the dropdown menu and click on *NJ Smiles Dental Directory*.
2. **County-Specific Provider Directory** – updated monthly, this directory is mailed to new members. It lists PCPs, dentists, hospitals, pharmacists and other commonly-needed providers in and around a member’s county.
3. **Printed Provider Directory** – updated twice a year, this book lists all specialists, hospitals, pharmacists and other providers.

All versions of the Provider Directory include information such as office hours, languages spoken and local public transportation services. To get a copy of a printed directory, call Member Services.

Information about your provider, including your PCP and specialist, can be found when you search our *Online Doctor & Hospital Finder* at **horizonNJhealth.com/findadoctor**. There you can see:

- Provider’s name, office location and phone number
- Specialty
- Professional qualifications
- Languages spoken

Selecting your Horizon NJ Health doctor

You and each of your family members can choose a personal Horizon NJ Health doctor, known as a Primary Care Provider (PCP). You can have a different PCP for each family member. For example, you can choose a pediatrician for your child and a general family doctor for yourself.

Use the Horizon NJ Health Provider Directory to find a doctor near you.

An authorized person acting for you may help you choose a doctor. If you did not select a PCP on your enrollment form, we will select one for you based on where you live and your age. Member Services can also help you find a doctor in your area. You can change your PCP at any time. To change your PCP, sign in at **horizonNJhealth.com** or call Member Services.

Words to know

Provider: A person or location (such as your PCP, hospital or dentist) that gives medical or dental care.
