

Your Member ID Card

Always carry it with you

Your Horizon NJ Health member ID card is mailed to you before your coverage begins. Everyone in your family who is a Horizon NJ Health member will get his or her own card. Always carry your Horizon NJ Health member ID card with you. It is one of the most important cards you have.

Show your card every time you see your doctor, dentist or specialist, when you fill a prescription, when you have lab work done, and if you go to a hospital ER. You can use your card as long as you are a member.

Please keep your member ID card safe and never let anyone else use or borrow it. It is illegal to lend your member ID card or number to anyone. You could lose your NJ FamilyCare benefits and may even go to jail.

What is on your member ID card

- Your name
- Effective date – the date your Horizon NJ Health benefits begin
- Your doctor's name and phone number
- A phone number to help you access information about your dental benefits
- Your copay (if you have one)
- Our toll-free Member Services phone number
- Information on what to do in an emergency

Lost or stolen ID cards

If your member ID card is lost or stolen, call Member Services right away. We will cancel your old card and send you a new one.

Other ID cards

You should carry your Health Benefits Identification (HBID) card from the State of New Jersey, your Horizon NJ Health member ID card and cards for any other health insurance you may have, including Medicare. Show all your cards any time you visit a doctor, dentist, hospital, pharmacy, lab or other provider. This helps your providers know how to bill for that service, supply or prescription.

You will need to show your doctor the HBID card to get NJ FamilyCare Fee-for-Service benefits not covered by Horizon NJ Health (see the *Your Benefits and Services* section on page 18).
